

# How long yet?

## How long yet . . . ?

A question without an answer?  
How long will there be:

- need in the world?
- pollution of air, land and water,
- enslavement of people in captivity and torture,
- debauchery and falsehood; fraud and corruption,
- inflation, housing shortages, poverty, drunkenness, intoxication,
- pain, illness, cancer in many lives,
- anxiety, loneliness, distress in the heart,
- sadness; your personal grief ... **how long yet** ...?

Who is asking, you or God?  
Who has the answer, you or God?  
God also puts His questions. For six thousand years God is calling mankind:

**“Where are you, what have you done?”**

If you are not interested in this question, you’ll have to be soon.  
Each person must appear before God at one time!  
But no one can stand before God than Jesus alone.  
So you have to take refuge in Him.

Who is God?                      God is the God of the Bible, the God of Israel.  
What did He do?                He gave Himself in Jesus to save you from sin and death, and therefore  
not to be lost forever.  
Do you accept this offer of God?  
The answer to this will determine the most important answer to your lifetime question:

***Where do I spend eternity? In the presence of God, or not in the presence of God?***

World events point to a rapidly approaching end of this age and society. The Middle East rushes to the final battle. The whole world will be involved in it. But also the Lord Jesus will return to the earth, and man and mankind will be judged righteously. To be lost you don’t have to do anything. To be saved you must make a decision:

accepting Christ has your savior in a total surrender to HIM.

God gives sometimes one, sometimes several opportunities in life to accept Him. No one knows when the last opportunity is given. That may not always be on the last moments of our natural live. Man has a free will. If he continues to resist, God hardens the heart. Then the last opportunity turns out to be gone. Therefore, God says:

***“Today if you hear his voice, harden not your hearts ...”***

If you will respond to God’s call, there will be peace and tranquility in your life, light, clarity and a healthy focus on the future.

“Lord Jesus, I come to You as a sinner and ask You to forgive me.  
Save me and cleanse me with Your blood. Please come in my live and in my heart.  
I entrust my life in Your hands. Amen.” \*
